

Rent A Broker Program

Do you want to own a real estate office but do not have your real estate broker license? If you answered yes, this is for you !!!

You own the corporation, I am a managing member. You control the operations, I make sure we stay compliant on the licensing side. You pay a set fee for the number of licenses you have on the first of each month. You work out commission splits and more !!!!!

Vicki Nelsen, GRI, CRS
Real Estate & Mortgage Broker
